## Give your burden to Jesus

by Darren Froese

“casting all your care upon Him, for He cares for you.” – 1 Peter 5:7

With this business of summer it is easy to get burdened down by the stresses of life. Even in ministry, the lists of to dos can get long and the burden heavy. Scripture tells us that we are to cast all of our burdens onto Jesus. Why? It is because he cares for us so much he wants to help us with that load.

## Creation Family Camp

Creation Family Camp is getting closer and we are excited to provide this great family event. This year we are bringing in speaker Richard Fangrad, Canadian President of Creation Ministries International, who will be presenting on topics such as Why is the Creation Evolution topic so important, Biology and the Bible, Rafting the Grand Canyon, and Evangelism Strategies for and Evolutionized World. If you are planning to attend please register on our website or call Darren Froese.

## Lice

Whenever you have a group of children coming together the spreading of lice is a possibility. At Pinelodge Bible Camp we want to do everything we can to prevent this from happening. Once again this summer we ask that parents check their children's hair the day before they send them to camp. Also at registration camp staff will be present to also check campers for lice before they are allowed to board the bus, or go to their cabin. During zipline all campers will have to wear a disposable shower cap under their helmet. Finally campers will be reminded about not sharing hats, combs etc with friends. Thank you for your help in this battle against lice!

## Shower house update

Through God's provision a shower house has been provided to the camp. This shower house is for the camp to use, but does not belong to the camp. Regardless we are thankful of the generosity of the donor and are excited to have a better facility to keep clean in. All funds raised will go towards the hooking up of the unit. We are continuing to fundraise for a shower house of our own and for future building projects.

*Peter Tieszen will be joining us for the summer.*
